

Covid update We would like to remind you of the following important instructions, in line with our Covid measures, risk assessment and Government rules about keeping school communities safe and well.

No pupil should be in school if they or anyone else in their household or support bubble: has symptoms of coronavirus or has tested positive for coronavirus. In addition no pupil should be in school if they have been in close contact with anyone else who has tested positive for coronavirus.

If you need to speak to someone at school face to face, then please do wear a mask for their and your safety. Thank you.

Children in Need Well done to all the children, who last week, took part in a 30 minute PE challenge with Joe Wicks to support Children in Need. We raised a brilliant £70 for this wonderful charity. Thank you for your support!

Catch Up Sessions Our catch up sessions began last week with additional teachers employed so that our teachers can work with those children who have been identified as requiring some additional support. Mrs Dorsey is working with children in Ribble and Swale and Mrs Symons is working with the children in Wharfe Class.

PE Provision in School We have had to re-visit our PE provision in school and unfortunately we will sadly be losing the use of Evolution Fitness after Christmas. This is a great shame as Ian and his team have always worked hard at bringing the best out of the children and has tried hard to raise their fitness and skill levels. Unfortunately, we are no longer able to employ him due to a change in how PE funding can be used.
